#### Indoor Archery Centre - Special General Meeting

The Special General Meeting of Exmouth Archers took place on Thursday 10 June, with a very good attendance of 30 senior shooting members (out of 51). By a very large majority the meeting authorised the Management Committee to take on a loan to complete the financing of the Indoor Centre. Thank you all very much for coming to the meeting, contributing so positively to the discussion, and giving such solid backing to the efforts of the Committee.

#### Postal League Shoots

Don't forget, the warwick postal league shoots will take place this month on June 23rd and 24th. The first date is this wednesday when the Junior team will shoot, and the second date is Thursday when the adult teams will shoot. There's a poster up in the Clubhouse showing the club that we're shooting against each month.

#### Cleve Junior Tournament

On 12th June we took 9 of our Juniors to the Junior Tournament at Cleve Archers in Bristol - and came away with 4 first place trophies.

In the Under-18 girls recurve Maddie was first.

In the Under-16 boys recurve Ryan was first, with Dan second by only 6 points.

In the Under-14 boys recurve Matt was second, with will third.

In the Under-13 girls compound Jess was first.

And in the Under-12 boys recurve Ross, shooting in his first Open tournament, was first.

And best of all, and with a comfortable margin of 500 points, a team of Maddie, Ross and Ryan brought back the Recurve Team trophy to Exmouth.

All the Junior archers who came - whether they won on the day or not - were a credit to themselves and to the Club, both on and off the field. Thanks for coming, guys, and very well done!
