

21-4-2011

To all members

>>----->

I have tried to ensure that all email addresses as recorded in the Club's records are up to date. If you become aware that yours is wrong, please let me know as soon as possible so that I can take steps to ensure that all members receive information .

>>----->

We are just embarking upon a very busy period for the club and we would welcome as much help as possible at as many events as possible. There are posters in the Club house where you can indicate that you are able to help, or if you prefer, let any of the committee members know.

#### CAR BOOT SALES

This is a VERY!!! good source of funds for the Club, so please come along and help if you can. The dates are as below, but please note that the first one is this Monday, and that due to the diary this year we have 3 in quick succession. If you can mark the posters in the Clubhouse, we can make sure that we staff these appropriately.

25th April 2011

2nd May 2011

30th May 2011

29th August 2011

Many hands make light work!!!!

>>----->

#### Open shoots

We have 3 planned for the summer season and again your help at all or any of these would be much appreciated. Even if you can only spare a few hours, this would be invaluable. Again please mark the poster and we will make sure that you have something to do. Set up etc and take down is only for a few hours before and after the shoot, so even if you have limited time, we can put you to good use.

If you would like to come and be involved in running a full shoot, it is the best way to see and learn what goes on at an open shoot.

Double Fita 21/5/2011 and 22/5/2011

York/Herefords 10/7/2011

Fita weekend 20/8/2011 and 21/8/2011

>>----->

More dates for your diary, so you can't say that you weren't warned to keep these free.

Free Club BBQ for family and friends 5th June 2011 (Shooting then food at Noon)

Club AGM 28th September 2011

Club Outdoor Championships 18th September 2011

>>----->

Finally,

We are trying to form a sub-committee to oversee and progress the construction of our Indoor Centre.

If you have an interest or relevant skills, please speak to the Chairman and he will explain what we hope to do.

We have planning permission, a large tranche of money and we do not want to miss this opportunity to extend the facilities at the Club.

Good shooting to you all for the Outdoor season,

Steve Glover

Secretary
