Indoor Shooting

With the nights closing in, the Club nights move indoors as from tomorrow 4 October. Sessions will be on Monday, Wednesday and Thursday evenings from 7pm until 9pm in Gym 2 at Exmouth Community College. Please try to arrange either that you arrive on time to help with the setting up, or stay to the end to help with packing away.

The Wednesday session is primarily for Juniors and new archers. Other members can shoot on Wednesdays unless it gets too crowded, in which case you may be asked not to shoot and to come on a different day instead.

And already there are some sessions that will not be available:

Wednesday 6 October is not available: there will be no shooting on Wednesday 6 October, and the first Junior evening indoors will therefore be on Wednesday 13 October.

Monday 11 October will be the last session of a beginners course: this session will therefore not be available to members.
