Club Outdoor Championships & Barbeque

A reminder that the Club Outdoor Championships will be held on Sunday 12th September. The Championships will take place on Sunday morning and 'Western' rounds will be shot, on a handicap basis for archers who have submitted scores to gain a handicap. New archers who do not yet have a handicap will shoot as a separate division, so that everybody has a fair chance to shine! (If you don't understand handicaps ask any Committee Member.)

The Championships will be followed by a barbeque lunch, and you are invited to bring your family.
